Cambridge City—You never know who you will meet along the Historic National Road. The Road is still a viable corridor for travelers. Joe Frost, our Executive Director, had the opportunity to run into traveler John Watson. John, from Chicago, is backpacking the Historic National Road to Cumberland, Maryland. Once there his journey will continue back west to end in California. John is walking to benefit Pancreatic Cancer Research. A couple of years ago, his grandmother died from pancreatic cancer. His journey across America started at her grave near Cary, Il. To learn more visit: walkacrossamerica2013.wordpress.com

Irvington–On May 5, 2013, the INRA and the Irvington Historical Society held a joint Annual Meeting at the Bona Thompson Memorial Center in Irvington. The two organizations, along with friends and families, enjoyed Jockamo’s pizza, commenced with business, and had an overall wonderful time.

The highlight of the Meeting was guest speaker Dave “the King” Wilson. Dave spoke about his passion for history. He shared his Indy 500 knowledge in his usual jovial way. At times those in attendance were rolling with laughter.

The INRA board voted on officers and added Stephanie Beaty to the Board of Directors. Many thanks to all of those in attendance.

Welcome Aboard Stephanie! We are glad to have your love and passion for history and the National Road with INRA. We all look forward to working with you.

130 W. Main St., Centerville
